BAPTISM

Join us as we celebrate the adoption of Ethan Ryan Wilderman into the Kingdom of God through the Sacrament of Holy Baptism this morning in 10:30 a.m. Worship.

Mark 10:13-16 – *People were bringing little children to Jesus to have him touch them, but the disciples rebuked them. When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it." And he took the children in his arms, put his hands on them and blessed them.*

DENVER CREATION SOCIETY: OCTOBER 4 @ 7 P.M. @ ASCENSION

On October 4, Dr. Barbara Helmkamp, Ph.D. will be returning as our speaker! Her topic will be "Who Done it? Geology as Forensic Science". Genesis chapters 1-9 give the essential framework for earth's biological and physical history. God makes the cosmos in six days, including mankind—that is, Adam and Eve. Plants are given for food so there is no carnivory—until death enters the world with Adam's fall. Nine very long generations later, God sends a global flood that reconfigures the surface of the planet. A convincing case for the Flood is plainly seen in earth's rocks—assuming the eyewitness testimony isn't disallowed. Spoiler: Lord Peter Wimsey does exonerate the Duke of Denver from accusation of murder even though the jury never knows the Duke's whereabouts.

About Dr. Helmkamp: Dr. Barbara S. Helmkamp has a Ph.D. in physics from Louisiana State University and a B.S. Engineering in physics from Colorado School of Mines, and she worked as a petrophysical engineer for the Shell Oil Companies between undergraduate and graduate studies. She completed the Lutheran Teacher Colloquy from Concordia University Texas while teaching at St. Mark Lutheran Church & School in Houston, where she was subsequently called. She is currently on the faculty of Veritas Scholars Academy (V.S.A. is an online school out of Lancaster, PA). She also taught at Credo Academy (Credo is a home school co-op in Lone Tree, CO) as well as having overseen her daughters' high school educations from home. Her older daughter graduated with Honors from VSA in 2015 and is currently a senior at the University of Iowa, and her younger daughter graduated Highest Honors from VSA in 2017 and is currently a sophomore at the University of Wyoming. Barbara, her husband Bob, and their daughters are members of Christ Our Savior Lutheran Church in Elizabeth, Colorado.
